Financial Responsibility

I hereby consent to physical therapy treatment and/or wellness training as prescribed by my physician, or as deemed necessary by the treating physical therapist. The patient is responsible for charges incurred, regardless of insurance coverage. If the insurance company denies payment for no referral, non-covered services, deductible, etc, I understand that I am responsible for all balances due. Infinite Rehab and Wellness assignments for Medicare B patients.

I understand, in some instances, all or some of the applicable physical therapy charges billed to my insurance company may not be covered under my insurance policy. I agree to be responsible for any portion of my bill not covered by insurance. I understand that it is my responsibility to understand my insurance benefits and comply with the requirements of the policy.

_____ Initial here that I have read, agree with, and understand the above statements.

_____ I understand Wellness & Fitness training is not a skilled service, and will not be submitted to insurance for reimbursement. Wellness services are cash pay.

Appointment Times and Scheduling

All appointments are expected to last 45-60 minutes in length. Infinite Rehab and Wellness will contact the patient or caregiver 24 hrs prior to, or the morning of the appointment to confirm appointment time. Infinite Rehab and Wellness respects patient's time and makes every effort to arrive on schedule. However, because an employee cannot anticipate what every person will need, or if medical emergencies arise, he/she will take whatever time is necessary to give each and every patient the best care that is needed. As Infinite Rehab and Wellness employees make home visits, one cannot foresee challenges in parking, heavy traffic, or unforeseen road conditions. For this reason, therapists will give a window of thirty minutes before or after the appointment time of arrival. If therapist is running more than thirty minutes late then patient will be called and notified and given the opportunity to reschedule without a cancellation / no show fee.

_____ Initial here that I have read, agree with, and understand the above statements.

Travel Fee

Infinite Rehab and Wellness travels to treat patients in a 30 min drive from 59 Bowling Drive Jackson, TN 38305. Whenever the schedule permits, a therapist will travel outside this area to service patients for an additional travel fee. At times, patients on the outskirts of this service area may qualify for the travel fee due to the distance from the therapist's point of origin. Infinite Rehab and Wellness therapists retain the right to decline admitting or treating patients who live outside the service area or decline patients who live in conditions that are not suitable for therapy due to safety reasons.

_____ Initial here that I have read, agree, and understand the above statements. I live outside Infinite Rehab and Wellness LLC service area and agree to pay the travel fee of \$ _____ per visit.

_____ Initial here that I have read, agree with, and understand the above statements, and the travel fee does not apply to me.

Cancellations and Missed Appointments

If the patient is unable to keep an appointment, please contact your therapist as quickly as possible. Visits that are cancelled only two hours prior to visit time or are not cancelled at all will be billed \$25 due to scheduling/traveling inconveniences. E-mail/text is a suitable means to communicate visit cancellation if message is sent twenty-four hours prior to visit start time. In the case of a true medical emergency, the cancellation fee will be waived.

_____ Initial here that I have read, agree with, and understand the above statements.

Informed Consent to Treatment

Physical Therapy and Wellness Training involves the use of many different types of physical evaluation and treatment. The patient should understand that a Physical Therapy diagnosis are not a medical diagnosis by a physician or based on radiological imaging and that health plan or insurer might not cover such services.

As with all forms of medical treatment, there are benefits and risks involved with physical therapy and wellness training. Since the physical response to a specific treatment can vary widely from person to person, it is not always possible to accurately predict the patient's response to a certain modality or procedure. It is impossible to predict an individual patient's reaction to a particular treatment, nor can it be guaranteed that the treatment will help the

condition the patient is seeking treatment for. There is also a small risk that the treatment may cause pain or injury or may aggravate previous existing conditions. The patient has the right to ask the treating therapist what type of treatment he/she is planning based on medical history, diagnosis, symptoms and testing results. The patient may ask the therapist about the potential risks and benefits of a specific treatment. The patient has the right to decline any portion of the treatment at any time before or during the treatment session.

I acknowledge that an Infinite Rehab and Wellness therapist has explained my treatment program, and all of my questions have been answered to my satisfaction. I understand the risks associated with a program of Physical Therapy as outlined to me and wish to proceed.
